

Mobile Unlimited usage prices

Effective 1 June 2006, Swisscom Mobile will be introducing new prices for Mobile Unlimited. Current prices will remain in force until then (www.swisscom-mobile.ch/unlimited). A new data subscription with no basic charge is to be introduced. Customers can choose from three options, two of which are based on monthly online time.

Option: 1 Hour	Option: 12 Hours	Option: Unlimited
This option is designed for first-time users and requires no minimum contract period or turnover.	This option includes 12 hours of online time and is ideal for occasional users and customers who use the service only for data synchronisation.	The professional option, based on a flat rate of CHF 79.
Price: CHF 5 per hour Billing increment: CHF 0.50	Price: CHF 39 CHF per month and CHF 3.25 for each additional hour Billing increment: 1 second	Price: CHF 79 per month
		Volume limit: Two gigabytes.
